

## **Bashor Ladies Auxiliary**

The Bashor Children's Home Ladies' Auxiliary is one of the longest running volunteer groups in our community. It is designed to promote and stimulate interest in the organization and provide needed services to staff and residents. The ladies meet on campus on the second Monday of September, October, November, April, May and June. The highlights of the calendar include the group's annual food auction during its November meeting and the campus picnic for staff and residents in June. The Auxiliary has also provided birthday cakes for each resident and has been active in several fundraising projects for campus ministries. For more information, Steve Riikonen at Bashor Children's Home at (574) 875-5117.
