

# Library Aide

Are you a book lover? Bashor Alternative School (BAS) is looking for volunteers to help maintain the library in our Community Resource Center (CRC). Volunteers will help with shelving books making sure each book is put away in its proper place and labeled correctly.

Volunteers will also help us log new books. As our library grows with donations and new purchases, volunteers can help us keep the books in order. If you are interested in volunteer in Bashor Educational Services, Library, contact Lori Harrington at 574-875-5117 or [lharrington@bashor.org](mailto:lharrington@bashor.org).
