

Unit Manager

Bashor Children's Home is excited to announce an opportunity to join an exceptional management team. We are seeking the right professional to lead a team of highly skilled youth care professionals in providing exceptional services to adolescents receiving treatment for trauma, addictions issues, and behavioral modification.

Qualified candidates will possess:

- A Bachelor's degree in a relevant field of study, with a premium for individuals possessing an MSW or related degree.
- A high level of professional integrity.
- A reputation for being positive, strengths based, and solution focused.
- A knowledge and understanding of evidence based practices within the field of human services, and a personal drive for continued education and learning.
- An established ability to build morale and aid in the development of a healthy team.
- The drive to work efficiently and effectively in a dynamic environment.

Responsibilities include:

- Train, manage, and provide ongoing supervision to a diverse and dynamic team of youth care professionals
- Close coordination of services with a dynamic multi-disciplinary team to provide exceptional services to youth.
- Develop teamwork and collaboration across shifts, schedules and programs.
- Oversee the budget, operations costs, and physical plant of your home cottage.
- Work collaboratively within the clinical and program operations team to ensure leadership and support on campus.

This position is full time, hourly, and requires flexibility to meet client and staff needs. Schedule includes business hour shifts and evening/weekend shifts, and offers flexibility for individuals either currently pursuing or interested in pursuing graduate level degrees.

If interested please submit your resume to gethired@bashor.org with "Manager" in the subject line.
